

# KAMARES VILLAGE MATTERS

## *Issue 114, September 2025*

### ***MESSAGE FROM THE PRESIDENT***

Dear Neighbours,

As we move into September, I'm pleased to be able to share some good news at last regarding the [Kamares Club](#). After quite a long wait, Leptos has begun carrying out some repairs and improvements. They've put down new plants, started work on paving, repainted the exterior, and are also renovating the wooden sections around the pool. They've assured us that the ring around the pool is being dealt with too — it's a stubborn problem, but each week more of it is being scrubbed away, and the aim is to remove it completely over time.

This is encouraging progress and a welcome sign that the club is finally receiving some attention. That said, we haven't yet heard of any [plans](#) for the inside of the club or for changes to the facilities and services offered, but we'll keep pushing for more information. At the same time, we have also started discussions with Leptos on what to do about [the dump](#) at the top of the community. Our emails have been acknowledged by Paris Gabriel, which is at least a step forward, and we'll keep you updated as these conversations progress.

More good news is that the renovation of the [library](#) has been completed, including the removal of mold. It's another small but important improvement for our community, and

it's great to see this space brought back into good condition.

Looking ahead, a few important things are happening before our AGM on 21st October. The [road-marking project](#) is approved and ready, awaiting cooler weather so the paint sets properly. The first round of the [community census](#) will go out in early October. Our [new online membership system](#) is live, making it easier to join and renew; paper and cash will only be used where residents genuinely cannot use technology. And on **20th September** we'll hold a [Litter Pick](#) to coincide with **World Cleanup Day**. This won't just be at the entrance to Kamares — many of the roads around the village also need a good clean-up, so we really do need as many people as possible to come along and help.

At the AGM we'll ask members to approve [raising the annual KVHA fee](#) from €5 to €10. Alongside this, we'll introduce a voluntary contribution system, with the aim of eventually funding a dedicated groundsman for Kamares. We're also in discussions with the council to see if they can support this role; more details will follow in October's newsletter.

On the social side, the [weekly quiz](#) at the Sheep remains a standout success, drawing 30–50 people each week. [Greek conversation](#) with Ismini is now underway (it kicked off last Monday for beginners and Thursdays for more advanced)—if you'd like to join a future group or find out more, please contact Ismini ([minni@kvha.cy](mailto:minni@kvha.cy)). We've also had a wonderful response to the [afternoon tea](#) at the Alexander the Great in support of the Paphos Cancer Association—**there are still a few places available**, so please contact **Maggie**

**Wright** ([maggie@kvha.cy](mailto:maggie@kvha.cy)) as soon as possible to add your name to the list.

A quick reminder to **dog owners**: we all expect some noise, but prolonged barking for hours at a time is very disruptive. Please take care to ensure your dogs don't disturb neighbours.

Finally, I want to take a moment to especially thank our Vice President, **Maggie Wright**. Maggie has been one of the pillars of the KVHA for many years and consistently goes above and beyond what's asked of her. She does a huge amount behind the scenes, often without recognition. **We are deeply grateful for all that she does.**

Warm regards,  
Craig Elsdon-Dew  
President, Kamares Village Homeowners' Association

## ***English is a funny language!***

We'll begin with a box, and the plural is boxes,  
But the plural of ox becomes oxen, not oxes.  
One fowl is a goose, but two are called geese,  
Yet the plural of moose should never be meese.  
You may find a lone mouse or a nest full of mice,  
Yet the plural of house is houses, not hice.  
If the plural of man is always called men,  
Why shouldn't the plural of pan be called pen?  
If I speak of my foot and show you my feet,  
And I give you a boot, would a pair be called beet?  
If one is a tooth and a whole set are teeth,  
Why shouldn't the plural of booth be called beeth?  
Then one may be that, and three would be those,  
Yet hat in the plural would never be hose,  
And the plural of cat is cats, not cose.  
We speak of a brother and also of brethren,  
But though we say mother, we never say methren.  
Then the masculine pronouns are he, his and him,  
But imagine the feminine: she, shis and shim!
